

Writing a Comment

Exercise 35

В упражнении использовано задание финала СПбГУ 2024/25, 10–11 класс

***Comment on the quotation from the novel “Waterland”
by Graham Swift (use 180–220 words):***

And what does this question Why imply? It implies [...] dissatisfaction, disquiet, a sense that all is not well. In a state of perfect contentment there would be no need or room for this irritant little word.
