Exercise 1. Advice (a message on a forum)

You read the following question on a forum:

"Hi, guys! I need your advice. I've got a chance to go either to Edinburgh or to Glasgow for the weekend, and I can't choose: they both look attractive. Where would you go if you were in my place?"

Imagine that you are an experienced traveller, who has visited both Edinburgh and Glasgow. Give the topic starter your **advice** in about **200–250 words**.

In your answer:

- share your experience of visiting the cities;
- mention 3 places of interest in each city;
- give your recommendation and provide at least 2 reasons for it.
